Please note that self-collected samples are best used for unofficial/advisory purposes. There is no problem with third-party reliance on positive results. However, contractors, prospective purchasers or other third parties may be unable to rely on negative results without verification that these samples were collected properly with a verifiable chain-of-custody.

Rate Schedule: (add an additional \$35 per sample prep fee for vermiculite samples)

- ❖ 1st sample \$55 plus \$30 for each additional sample (1-2 week turnaround)
- ❖ 1st sample \$75 plus \$35 for each additional sample (3-5 business day turnaround)
- ❖ additional RUSH services may be available upon request

Please enclose a check payable to Freelance Enviro-Tech Services LLC (also accept cash/CC)
